Dear Parents & Guardians,

Thank you for considering Christ the King Early Childhood Center for your child. We believe it will be easy to convince you that this is “just the right program” for your beloved child.

Our Parent Handbook contains information to answer many of your questions. This handbook represents all of our programs; Nursery, Pre-Kindergarten and Full Day Early Childhood/Day Care. Each program is both Faith-based and academically sound, as we follow the learning standards set forth by the New York State Department of Education.

We also want to take this opportunity to invite you to join with the other parents in our “PTP: Parents and Teachers as Partners” organization whereby you can have the opportunity to contribute your time and talents to enrich your child’s experience here.

We are always looking for creative ideas to enhance your child’s experience in the classroom and for ways to create a sense of a loving community among all of our families. Please consider the many ways you can help us do this and don’t hesitate to suggest activities to foster our goals.

Again, thank you so much for trusting us to care for, and nurture, your precious child.

Sincerely,

Fr. Jim Fitzmaurice
